Note for teacher and parents

Objectives:

To secure four Arabic words.

To recognise the Arabic words out of sequence.

To pronounce Arabic sounds correctly.

Outcome:

The child can recall the Arabic words, when the appropriate picture is shown.

The child is able to pronounce sounds correctly.

The child is able to recognise Arabic words in and out of sequence.

Activity 1

Cut out the pictures and turn them over, so the picture is facing down.

The teacher/parent should point to a picture, and the children should shout out the name of that picture.

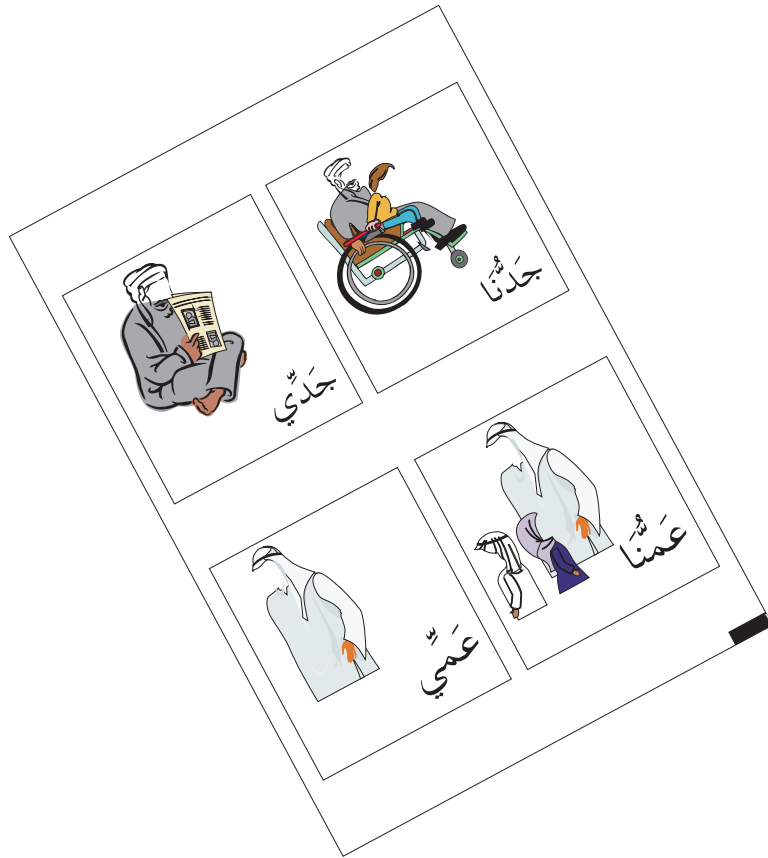

You should then turn over the picture to see if they were correct.

(Please explain to the children that it is forbidden to draw heads).

Activity 2

After your children have coloured all the pictures, you may wish to use them as a wall chart.

ACTIVITY 3

Teaching morals.

Explain to the children that Allaah created us in our mother's womb.

We grow up as infants. Then we reach an age of full strength.

Then we grow old and weak. Just as we were first weak and knowing nothing.

Allaah said in the Qur'aan:

“[Meaning]: And We cause whom We will to remain in the wombs for an appointed term, then We bring you out as infants, then (give you growth) that you may reach your age of full strength. And among you there is he who dies (young), and among you there is he who is brought back to the miserable old age, so that he knows nothing after having known.” Sooratul-Hajj (22): Ayah 5
